---

A gifted storyteller, Jeeva is often an honoured participation at international storytelling festivals in South and Southeast Asia, England, Sweden and USA.

Her unique and memorable style, techniques and a storehouse of tales from many cultures has won accolades in over 20 countries. In addition to entertaining very large audiences of all age levels, Jeeva has run training workshops in several countries focused on storytelling techniques, story development, communication skills through stories, exploring India and developing language skills through stories.

Jeeva is accomplished in two languages and has led storytelling revival in south India. She has organised her own International Storytelling Festival titled '*Under the Aalamaram*' for the over 6 years now attracting renowned storytellers from across the world.

She has written for Tulika publishers and published a dozen children's books in addition to translating over 65 titles from English to Tamil
